Gown narratives that reflect four moments of the year

Problem: Stain/spot on wedding gown.

Solution: New York based dry cleaner to designers and celebrities, Madame Paulette Custom Couture Cleaners has developed a professional stain removal kit. Each kit contains individually packaged professional cleaning formulas with three absorbent cloths. It's like having a professional dry cleaner "to go." Great to have "just in case." Go to www.madamepaulette.com for more information (a package of five kits \$50.)
